## Professional hair care products against hair loss and itchy and scaly scalp.

### CORPUDERM® Anti-Hairloss Spray

**Regenerates and strengthens.**

CORPUDERM® Anti-Hairloss Spray prevents the aging process of hair follicles and premature hair loss. The innovative ingredients oleanolic acid (inhibition of the hair loss mechanism), apigenin (activation of the microcirculation) and Biotinyl-GHK (stimulation of the cell metabolism) act against many causes of hair loss, such as poor blood circulation, dying and aging of the follicle and show a repairing effect on the structures of the hair follicle.
